AIRSTRIP AGREEMENT

TERMS & CONDITIONS

By completing this indemnity, we accept the following:

1. The airstrip is registered with the CAA but is privately owned.
2. There are fences in place to prevent wild animals, persons, or vehicles from accessing the runway or parking areas.
3. We hereby indemnify and hold harmless the Pieter Ernst Family Trust, its associated companies, shareholders, directors, and employees against:
 - 3.1 Any claim, loss, or damage to aircraft or property; and
 - 3.2 All injury (fatal or otherwise), claims, or actions that may arise or be instituted by any third party for whatsoever reason, arising from or in connection with the use of the Bona Bona Airstrip by the operator; and
 - 3.3 We accept that the airstrip is used entirely at own risk. This indemnity includes any damage occurring during take-off, landing, or whilst the aircraft is parked at the airstrip.
4. We have familiarised ourselves with the airstrip and surrounding environment and are satisfied with its suitability for the intended aircraft type and weight.
5. We will adhere to all Civil Aviation Regulations (CAR) regarding the use of an unmanned airstrip, as well as the following rules applicable to the airstrip:
 - 5.1 Aircraft approaching from the west shall join a wide right base for runway 35/17. When landing on runway 35/17, aircraft shall join a wide left base, using minimum safe approach power for noise abatement.
 - 5.2 Maintain a good lookout for large birds.
 - 5.3 Contact Bona Bona Game Lodge ground via cellphone/WhatsApp on +27 71 674 9969 or on frequency 124.8 MHz and provide ETA.
 - 5.4 No turning is permitted on the runway except on designated turning circles.
 - 5.5 Aircraft must be parked on the paved bays provided.
 - 5.6 When chocking aircraft, correct chocks must be used.
 - 5.7 Any oil leaks must be addressed immediately.
 - 5.8 When emptying EA cans, excess fuel must be disposed of in the container provided.
 - 5.9 Good groundmanship must be strictly adhered to at all times, including prop blast precautions around other aircraft, hangars, and structures.
6. I (the pilot) acknowledge that I have read the "Approved Aerodrome Standard Operating Procedures and Risk Assessment" and undertake to comply with them.
